**How to get to our office**

The nearest station is JR Sakuragicho, one stop away from JR Yokohama Station. You can take trains of JR Keihintohoku-Line or JR Negishi-Line on the platform #3 at Yokohama.

At JR Sakuragicho Station, please go to the North gate and take a right. You will find a big white building on your left. It's Hulic Minatomirai. You can take the escalator outside of the building ahead of you to the second floor to find the office entrance next to Lawson (convenience store) beyond the entrances of Colette Mare (shopping mall) and Hotel New Otani Inn Yokohama. Our office is located on the 12th floor.

There is another Sakuragicho Station of Yokohama City Subway. If you use it, please take the exit "North-1" and go through JR Sakuragicho Station. You will find Hulic Minatomirai on your left at the square.
